

The Kinship Collection is the result of a design collaboration between Oceanside Glasstile and Island Stone. A stunning fusion of profiled natural stone with the depth of translucent glass. These dimensional patterns, coalescing carved stone and cast glass, are available in the beautiful tonal combinations shown below.

UNISON

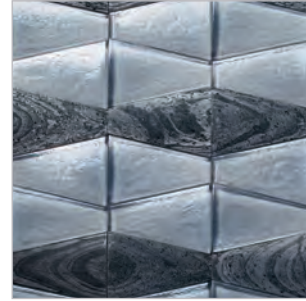

The 3 3/4" (95mm) Wedge Unison sheets are 10 13/16" x 7 5/8" (275mm x 194mm). Unison sheets are back-painted and mesh-mounted for user-friendly installation. Visit www.glasstile.com for templates.
