Use of a leveling system during installation is strongly recommended

Images and product samples are representative of a product's potential characteristics. There is no guarantee that the sample product or images will 100% match the product received. Field and trim tile may not be an exact match. We reserve the right to make changes to product specifications at any time without notice. Tiles are subject to variations in color, shade, sizing, surface texture and finish. Prior to installation, installer must blend tiles from several different boxes to achieve an even distribution of color range. Installer must conduct a dry mock layout under proper lighting conditions prior to installation. It is the consumer's responsibility to inspect the product prior to installation to ensure satisfaction. Once installed, the product is deemed accepted. Reference the most current TCNA Handbook, ANSI, manufacturer's specifications, and the Bedrosians Care & Maintenance guide for installation, outdoor use, care and maintenance information. Improper installation, application, and/or use voids warranty. Please visit [www.bedrosians.com](http://www.bedrosians.com) for current product information.
